Last Will and Testament

We, the members of the Graduating Class of January 1956, being of sound (?) mind (we should have one by now after our association with our wonderful faculty) and memory (that's bad) do hereby make, publish, and declare the following effusions and gustifications to be our Last Will and Testament:

- To **MR. ANGELL** and **MR. CAIN**: we leave our appreciation and affection.
- To the **ENGLISH DEPARTMENT**: we leave memory selections four lines long.
- To the **BUSINESS DEPARTMENT**: we leave typewriters that do not record mistakes.
- To the **LIBRARY**: we leave a dozen sweaters to protect students from the cold.
- To the **PHYSICAL EDUCATION DEPARTMENT**: we leave an entire class that enjoys exercising. (If one can be found.)
- To the **SCIENCE DEPARTMENT**: we leave the hope that someone will invent a mechanical brain to do homework for students.
- To **MISS RYBKIEWICZ**: we leave the wish that she will always be happy in her undertakings and will have only pleasant recollections of the many students she has taught. We will never forget her kindness and unselfish desire to aid others.
- To **MR. SCHLEICHER**: we leave a homeroom class that will be in their seats when the bell rings.
- To **MR. MELITO**: we leave a box of cigars.
- To **MISS McMENAMIN**: we leave a mechanical secretary to assist her in remembering things.
- To **MR. STRAHAN**: we leave some students like Martin and Lewis to make him smile and a lock for his tool box.
- To **MISS HOUGH**: we leave someone to listen to her ideas and appreciate her witty remarks.
- To **MRS. WRIGHT**: we leave a quiet, efficient and orderly Secretarial Practice class.
- To **MRS. HAESELER**: we leave an office full of "sick" patients and a shipment of bicarbonate of soda.
- To **MR. LUNDIE**: we leave a room full of Nelson Eddys and Jeannette MacDonalds.
- To **MISS BOUTILLIER**: we leave a mirrored room for her Oral English classes.
- To **MR. INZEO**: we leave a pad and pencil so that he will not have to talk.
- To **MR. FLEISCHMAN**: we leave a list of brand new, interesting topics for class discussion.
- To **MR. STRASSBERG**: we leave a collection of imaginary planes.
- To **MR. FRANZBLAU**: we leave a pair of fancy suspenders and a chair with only two legs.
- To **MR. ESKIN**: we leave a new demerit book and a pen that will never run dry.
- To **MR. BRODSKY**: we leave a frown.
- To **MR. DE HART**: we leave something to take the place of the 150 alphabets.
- To **MR. HAESELER**: we leave a radio station which never breaks down.
- To **"PAT" THE OFFICER**: we leave a pair of skates so he can catch up with the "class cutters."
- To the **4B's**: we leave the key to the school and the task of passing it along and also courage to face the many problems of the 4A term.
- To the **2B's**: we leave the pleasure of "apple polishing" for two and one-half more years.
- To the **ENTIRE FACULTY**: we leave our sincere thanks for having put up with us the past three years. We hope they continue to have the patience, fortitude and perseverance to teach the future students of Central.
- Last, but not least, to our **BELOVED CENTRAL**: we leave respect, appreciation, and a bag of grass seed for the lawn.
- In witness whereof, we have hereunto set our hands and seal this twenty-fifth day of January, One Thousand Nine Hundred and Fifty-six.

SENIOR HALL OF FAME ★ ★ ★

FOOTBALL TEAM

While the season record was not a brilliant one in 1955, Central did roll up a record score in defeating Weequahic 53-12. The squad was young and green for the most part due to the graduation of our veterans of former seasons. Still, practice sessions and scrimmages revealed hidden talent.

One thing did stand out. This squad, like Central teams of the past, did show the spirit, morale and good sportsmanship of which we are so proud. In actual achievement, we'll not forget how this squad brought St. Benedict's to its knees by a score of 26-0. The outstanding senior players were Co-captain Tony Paradiso, Lou Portella, Pete Falco, Tommy Armour, and Herman Cohen.

Under the able guidance of Coach Hilly Wisot, who came to us this year, Central's teams in the future can look forward to real success.

HILLY WISOT
Coach

THOMAS ARMOUR
"82"

Probably as fine a pass receiver as can be found in Essex County, Tom is very fast and aggressive in his play. He is an asset to any coach.

HERMAN COHEN,
"57"

The outstanding center in the city. "Hymie" is a fine line backer and an excellent "T" formation center. He loves football and is the coach's ideal of a team player.

LOUIS PORTELLA**"69"**

The best lefthanded passer we have seen in the past decade. Also, an outstanding punter averaging 45 yards in the last two years, Portella has been a courageous ball player, fighting at all times to win for Central.

WILLIAM WASHINGTON**"59"**

Bill has been a very hard worker. He is the trying, "do or die" type of athlete. Bill has developed into a good football player because of his determination to "do good."

NICK ESPOSITO**"71"**

Nick is the one player who can kick the extra points. He has mastered this art which is a forgotten technique in Newark. Nick has been a hard worker and has filled in admirably at end.

SENIORS – 1955 Football Team

**EDWARD DAYS****"47"**

Each squad has a player who is always called the "holler guy." Ed is one of the most energetic boys on the squad. He is very willing and plays very hard.

ANTHONY PARADISO**"62"**

Our co-captain who has led a spirited team to victory and defeat. Tony believes that the only road to victory is hard playing. He shall go down in Central's football history as another one of our capable leaders. He is a fine blocker and great anchor man on defense.

PETER FALCO**"81"**

Central has rarely seen the transformation of a raw recruit who knew nothing about football, into a polished, fine-catching, hard-blocking end. Pete also excels on defense.

BASEBALL TEAM

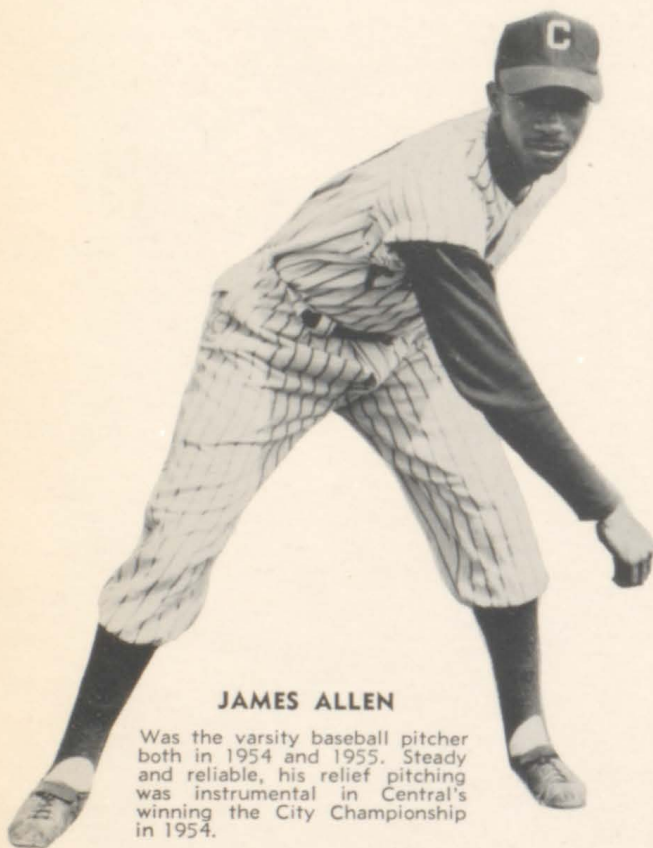

Although faced with the problem of inexperience, the 1955 team came through with a winning record and finished in third place in the city league. The boys on the team played good baseball and their competitive spirit helped further the favorable name that Central baseball clubs have earned.

The Seniors on the team were Louis Portella, first base, Salvatore La Morte, second base, Ted Narbonne, shortstop and James Allen, pitcher.

TED NARBONNE

Went out for baseball in his senior year with the hope of attaining the position of pitcher. However, he was converted into a second baseman where he proved to be very successful.

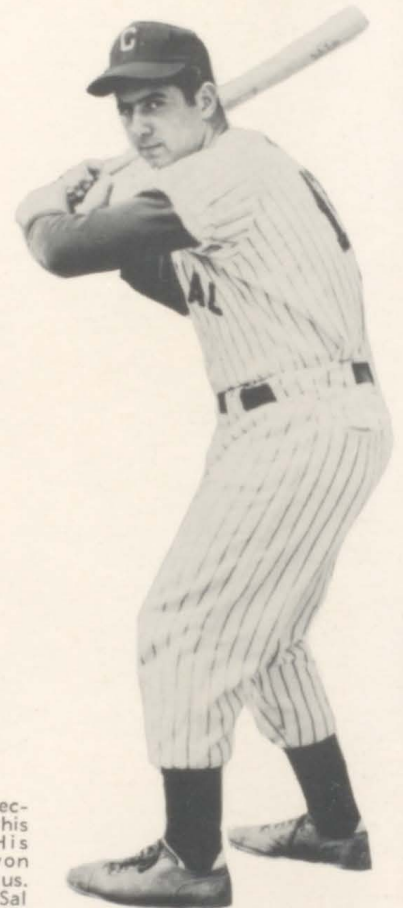

JAMES ALLEN

Was the varsity baseball pitcher both in 1954 and 1955. Steady and reliable, his relief pitching was instrumental in Central's winning the City Championship in 1954.

**SALVATORE
LA MORTE**

Was a hustling second baseman in his junior year. His timely hitting won several games for us. In his senior year Sal helped to coach the jay-vee baseball team.

LOUIS PORTELLA

Is one of the best first basemen ever wear the blue and white. He was picked All-City first baseman in 1955 and led the City League in number of homeruns hit. Lou was a long ball hitter and fine defensive player. He earned varsity baseball letters.

BASKETBALL TEAM

The Class of January 1956 played a large part in the fortunes of Central's basketball team. No less than three of our graduates, Jimmy Allen, Tommy Armour and Kenny Jackson, were mainstays of the team for three years. We are glad, however, that Coach Aulisi has some really promising replacements to fill the spots left vacant by their graduation.

EUGENE CAMPBELL

A likeable, scrappy basketball player, who had lots of rebound. He was a clever player, especially under pressure.

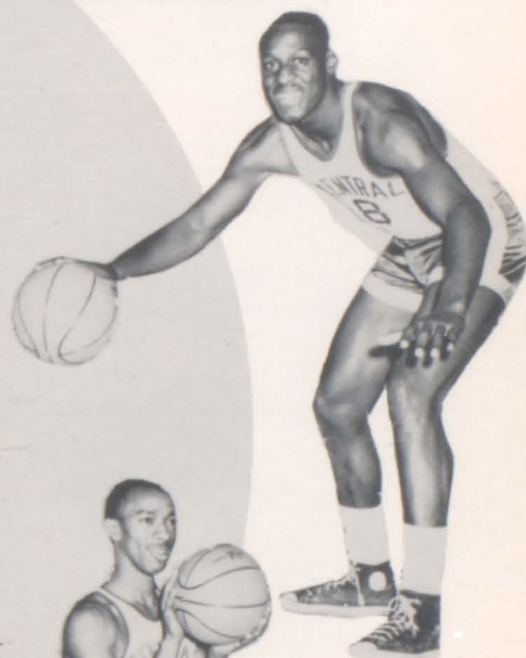

LOUIS PORTELLA

A good playmaker with a cool head. Lou was a competitor with plenty of savvy and a good set shot.

KENNETH JACKSON

Another third year veteran, Kenny has developed into a top notch player with a lot of drive and cooperative spirit. An all-round hustler with both defensive and offensive ability.

THOMAS ARMOUR

A three year veteran, Tommy in his junior year showed himself to be one of Central's "greats" on the court and was duly recognized by being named to the All City Team. Tommy saved many Central games with his timely rebounding and his deadly jump shot. We would not be surprised if Tommy eventually plays for the Knicks or Celts.

JAMES ALLEN

Playing his third year of Varsity basketball for Central, Jimmy was an all-round ball player with a deadly set shot and good drive-in layup. His fine team spirit and hustle guaranteed him a place on our starting five.
